

JUNE NEWSLETTER

SHINE BOYS AND GIRLS CLUB

SUMMER CAMP 2021

VALUE OF THE MONTH: HONESTY

June's value of the month was Honesty & Trustworthiness! Throughout the month the students were encouraged to tell the truth even when times got tough. Remember honesty is the best policy!

DIY PLANETS

MIDDLE CLASS (7-8)

In the first week of summer camp the kids made their own planets! Using a balloon and newspaper they made the shape of their planet then painted it once it was dry. On Friday they had the option to keep it or open it with a baseball bat!

MAKE YOUR OWN BOAT!

STEM ACTIVITY

How many pebbles can your boat hold? Well its time to find out! During a STEM activity the kids were challenged to make a boat with limited supplies that could hold the most pebbles. The teams boat that could hold the most won a prize!

FRUIT LOOP NECKLACES

5-6 AGE GROUP

This month our youngest students practiced hand eye coordination by making tasty jewelry.

DIY LEGO MAZE

7-8 AGE GROUP

Using Legos they were challenged to build a Lego maze with a team. Each team had an hour to complete a maze with any Legos of their choice!

CHESS

OLDEST CLASS (9-12)

Every week the eldest group of kids got to play Chess with Coach Claudia!

MOON PHASES!

7-8 AGE GROUP

Did you know the moon isn't always the same size? During this activity the kids got to learn about the different moon phases by using Oreos to represent each phase.

BIODOMES!

STEM ACTIVITY

This month all students got to build their own biodome! A biodome is a model of an environment and the community of animals living in it. They worked as a team to color the back ground, make their own plants, rocks, etc. The most creative and the most accurate teams both got tickets for Fridays raffle.

JR ROOM FUN TIME

7 & UNDER

The JR Room is full of fun activities; coloring, doll houses, building blocks and more! Throughout the month students got the chance to play with any thing of their choice.
