

# SHINE BOYS AND GIRLS CENTER

SHINE VALUE OF  
THE MONTH:

Respect

## APRIL 2021

**"Respect is one of the greatest expressions of love."  
- Miguel Angel Ruiz**

April's value of the month was *Respect*. Receiving respect from others is important because it helps us feel safe and allows us express ourselves. Showing respect in your relationships builds feelings of trust, safety, and well-being. Through SHINE's activities and projects, the coaches demonstrated the importance of respect for children in order to teach by example.

## Gardening at SHINE

Members picked out the last of the radishes from the garden and are preparing the garden beds to plant more vegetables. Everyone helped clean the radishes and put them in bags which they decorated to take home.

# Rock Painting

You rock!

Students used their imagination and creativity to paint a rock according to it's shape.

# DIY Invisible Ink

Just like magic!

Our youth enjoyed writing secret messages and drawing pictures with invisible ink and decoded each other's messages.

# Kids at Hope Time Travel

## What will be your hobbies as an adult?

The kids worked on drawing pictures of their future hobbies to get them excited about healthy recreation activities they can look forward to. We also incorporated the Value of the Month and provided tips on how they can practice Respect as an adult.

## Four Square

Four Square was the most requested game this month. The game incorporates cardiovascular exercise, requires focus, and is extremely fun!

## Border Patrol

The Border Patrol provided an educational presentation that focused on the different tasks and responsibilities they have. BP had a special guest, "Riley," that performed tricks!

# April's Photo Bucket

This month was full of great activities. Here's a few others you may have missed!
